Executive Department of Georgia
Milledgeville 27th April 1838

To his Excellency
The Governor of Maine.

Sir.

I herewith transmit to your Excellency a copy of a true bill of indictment and other proceedings had thereon, from the Superior Court of the County of Chatham in this State, charging Daniel Philbrook and Edward Killman with the offence of Simple Larceny, which copy I have caused to be carefully compared with the original and certified accordingly. I have also in pursuance of the act of Congress passed the 12th February 1793 "respecting fugitives from justice" appointed an agent on the part of this State, to receive and convey the said Daniel Philbrook and Edward Killman, to the said county of Chatham, to be tried for the offence with which they stand charged.

Your Excellency will therefore be pleased to consider this my demand under said statute for the said Philbrook and Killman and to order their arrest if to be found in the State over which you preside and cause them to be delivered to

George H. Miller Esquire the authorized agent of
this State for the above purpose.

Very respectfully
yours &c

George R. Gilmer
